

# Capability Statement

**UEI:** GDJLPW/GSJ2C3  
**Contract no:** 47QTCA23D009X  
 4600 140th Ave. North, Suite 180  
 Clearwater, FL 3376

Whether optimising process efficiency or reliably collecting data in extreme environments, Brainboxes delivers simple robust industrial connectivity, letting you focus on what matters most.

From condition monitoring to automated control, our range of industrial Network Switches, Ethernet to Serial adapters, and IoT modules ensures seamless data flow wherever it's needed.

Proudly designed and manufactured in the UK since 1984, all Brainboxes products come with a lifetime guarantee and expert tech support as standard.
